

**Death and Funerals are topics most of us do not want to discuss until the need is upon us.**

While death is a natural part of the human life cycle, it is a stressful time for the family. Beth Tikvah Congregation seeks to assist our membership during these times through a number of benefits for our members.

Beth Tikvah has selected a special, standard funeral package that eliminates the anxiety of making decisions at a very difficult time. We can also accommodate those who wish to make custom arrangements or who have prearrangements with a particular funeral home.

Rabbi Covitz should be notified as soon as practical via the Temple office or, if appropriate, at his home. If the Rabbi is out of town or the Temple office is closed, contact either the President, Executive Vice President or Chair of the Ritual Committee who will notify the Rabbi or the covering Clergy.
