Carolyn's Corner

What does lovely weather, beautiful music and cheerful companions add to an evening of fun? Everything!! That's what our Millenium Park adventure turned out to be – Great!! Thanks again, Leora.

Thoughts I'd like to share with you from my corner of the world.

- Honesty is not only the best policy; it is basic in character building.
- A stranger is just a friend you haven't met.
- The real problem of your leisure is how to keep other people from using it!
- Housework is something you do that nobody notices unless you don't do it.
- The smallest good deed is better than the grandest intention.
- The secret of patience is doing something else in the meantime.
- Good humor makes all things tolerable.
- Do your level best and then go on to the next thing.
- Friendship is like vitamins – we supplement each other's daily requirements!
- Who finds a faithful friend, finds a treasure.
- We need all friends to help us grow old, and new friends to help us stay young.

See you next month!

Carolyn
