2007-2008 Preschool Registration

Shalom..... We understand selecting an early childhood program is a big decision for you. We thank you for considering the Early Childhood Center at Beth Tikvah Congregation.

Children do most of their important learning before the age of five. This is why we believe it is so important for your child to receive the best early childhood education available while experiencing a welcoming, nurturing and comfortable setting.

We encourage you to register for preschool as soon as possible. Our registration is on a first-come first serve basis and we are unable to guarantee any spots.

If you haven't had a chance to visit our early childhood center, I am always available to schedule a time to meet with you and give you a personal tour of our facility. Please call me with any questions you might have.
